SUPPLEMENT TO

JOURNAL OF

THE GEOLOGICIAL SOCIETY

Volume 167 2010

Chief Editor: Dr R. A. Strachan

Editors: Dr G. I. Alsop, Dr B. R. Bell, Dr B. Bingen, Dr E. Bozkurt, Professor M. Cho, Dr C. Clark, Dr A. Collins, Dr Q. Crowley, Dr H. J. Falcon-Lang, Dr G. J. Hampson, Dr J. Hendry, Professor I. Jarvis, Dr M. Krabbendam, Dr J. E. A. Marshall, Dr K. J. W. McCaffrey, Professor D. McIlroy, Dr T. Needham, Dr D. W. Peate, Dr E. Platzman, Dr D. Pyle, Dr I. Sansom, Dr S. C. Sherlock, Dr M. J. Whitehouse, Dr J. C.Woodward.

Advisory Editors: Professor J. Blundy, Professor J. S. Daly, Professor T. Elliot, Dr R. W. England, Dr I. C. W. Fitzsimons, Professor H. Fossen, Dr D. A. T. Harper, Professor B. P. Kokelaar, Professor R. D. Law, Professor V. Pease, Professor V. Ramos, Professor R. W. Renaut, Professor H. R. Rollinson, Professor A. D. Saunders, Professor K. Schulmann, Professor J. D. Scourse, Dr A. B. Smith, Professor B. C. Storey, Dr C. van Staal, Professor M. K. Watkeys, Professor W. Xiao.

> But if any human being earnestly desire to push on to new discoveries instead of just retaining and using the old; to win victories over Nature as a worker rather than over hostile critics as a disputant; to attain, in fact, clear and demonstrative knowledge instead of attractive and probable theory; we invite him as a true son of Science to join our ranks.
